

## Intelsat - Rotational Openings for May 2021 Graduates

Intelsat is going to hire three students to participate in the Rotational Program. The program will last for 24 months and at the end of the rotations, the employee can select the position of their choice. The Rotational Program is for **May 2021 Grads only**. The students have to be a US Citizen or Green Card Holder. The links below will take you directly to the Applicant Tracking System where you can apply for the positions.

Please contact Richard Larde at [Richard.Larde@Intelsat.com](mailto:Richard.Larde@Intelsat.com) for any questions you may have.
