Students are required to submit documentation confirming their pregnancy and verifying pregnancy related limitations, including severity. Documentation must be submitted on office letterhead from treating professional's office and must include a wet signature/DocuSign. Documentation must be from a qualified/licensed professional, who is unrelated to the student, and whose credentials permit the evaluation of the limitations. The documentation must include the following information and any other information that will assist the AEC in determining the student's request:

1. Confirmation of pregnancy & due date
2. A description of the specific limitations experienced as a result of the pregnancy and how these limit one or more major life activities
3. The impact of medication on the student's ability to meet the demands of the postsecondary environment, if relevant
4. For students who experience flare ups or intermittent symptoms, describe the current severity, duration, and frequency. Suggest recommendations for accommodations and/or services that the student may require and describe how the pregnancy related limitations necessitates the need for the specific requested accommodation
