1. Discussion Item: AI Commons; Student Feedback & Required AI Training

- Christina will meet with Provost Del Casino and Vice President for Research Crest Khachikian to discuss AI Commons and gain feedback
- The committee will brainstorm other ways to get feedback from students and staff to require students to take an ai training course in order to have access to ai tools

2. Discussion Item: More Study Spaces

- Work with the university to increase study spaces on campus, especially during midterms and finals.
- Christina will collaborate with Leilany to look into what spaces are currently available or could be used.
- Christina will work with Kimaya on ways to better promote existing study spaces that students may not be aware of.

3. Discussion Item: Library Hours

- Discuss current library hours and whether they are meeting students' needs, especially during later hours.
- Research how many people who are **not affiliated with the university** use the library at different times throughout the day.
- Christina will meet with the **Dean of the Library** to request data on library usage, including university vs. non-university users and peak usage times.
- Consider whether library hours or access policies should change to **improve student safety** while still ensuring students have a reliable and comfortable place to study.

4. Discussion Item: Feedback

Directors and students from each college will provide feedback and discuss new initiatives.
