1. Discussion Item: AI Commons; Student Feedback & Required AI Training

Christina will meet with the Provost to discuss AI Commons. The committee will brainstorm other ways to get feedback from students and staff while the AI Commons committee is still forming and discuss the idea of requiring students to complete a CSU-provided AI training before getting access to ChatGPT through the university.

2. Discussion Item: More Study Spaces

Work with the university to increase study spaces on campus, especially during midterms and finals. Christina will collaborate with Leilany to look into what spaces are currently available or could be used and work with Kimaya on ways to better promote existing study spaces that students may not be aware of.

3. Discussion Item: Feedback

Directors and students from each college will provide feedback and discuss new initiatives.
