
Open-Ended Sample Questions for Student Feedback

This document has been created to support faculty in collecting open-ended feedback from students to enhance teaching and learning.

Beginning of the Semester

- 1) What is one thing you would like me to know about you?
- 2) What is one skill you know you need to improve upon as a college student? How can this course support you in improving that skill?
- 3) What are some strategies that have helped you feel successful in other classes?
- 4) Why did you choose this course?
- 5) Do you have any concerns about this course?
- 6) What are you hoping to learn in this course?

During the Semester

- 1) What are three main takeaways from today's class lecture?
- 2) What two things did you find most interesting?
- 3) What questions do you still have?
- 4) Is there anything about the structure of the course that can be improved upon to support your learning?
- 5) How would you describe the workload for this course?
- 6) Is there anything you would like me to know about you that has changed since the beginning of the semester?

End of the Semester

- 1) Do you think this course met the learning goals? Please explain.
- 2) What was your favorite activity/class lecture? Please explain.
- 3) What did you find most challenging about this course?
- 4) What would you like to see change about this course?
- 5) Do you think I created a welcoming learning environment? Please explain.
- 6) Would you recommend this course to a friend? Please explain.
