### Textbook

*Modern Principles: Macroeconomics* by Tyler Cowen and Alex Tabarrok (2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> Edition)

## Course Requirements and Assignments

You will need access to a computer/laptop/tablet with reliable wireless connection. This course is completely online. All assignments will be completed/submitted through Canvas.

Canvas: the learning management system will be the central online communication hub for the class. Recorded video lectures, assignments, grades, additional readings and messages related to class will be posted through the Canvas system. You will access Canvas using your SJSU login and password at <https://sjsu.instructure.com>.

*\*Please be sure that your email is listed correctly, or you risk missing key information communicated throughout the semester.*

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit, including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in [University Policy S12-3](http://www.sjsu.edu/senate/docs/S12-3.pdf) at <http://www.sjsu.edu/senate/docs/S12-3.pdf>

NOTE that [University policy F69-24](http://www.sjsu.edu/senate/docs/F69-24.pdf) at <http://www.sjsu.edu/senate/docs/F69-24.pdf> states that “Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading.”

\*Note that “All students have the right, within a reasonable time, to know their academic scores, to review their grade-dependent work, and to be provided with explanations for the determination of their course grades.” See [University Policy F13-1](http://www.sjsu.edu/senate/docs/F13-1.pdf) at <http://www.sjsu.edu/senate/docs/F13-1.pdf> for more details.

## Grading Policy

Your grade in this course consists of two midterms, one final exam, eight quizzes (out of ten possible scores) and a brief oral exam. The quizzes, midterms, final and oral exam cover material presented both in lectures and in the textbook.

Quizzes are an important component of your grade. Ten quizzes will be offered, of which, your eight best scores will count toward your grade (we will drop your two lowest quiz scores). These quizzes will be excellent preparation for questions on the midterms and the final exam. If you miss a quiz, there are no opportunities for makeups.

The oral exam will be an individual ten-minute meeting over zoom. During our meeting we will have a discussion related to material covered during our summer session. This is a way for students to demonstrate general understanding of our economic concepts. The oral exams will take place over the last two weeks of the summer session, more details will be provided.

Your final grade will be based on the following categories and weights:

---

Midterm 1	20%
Midterm 2	20%
Final Exam	30%
Oral Exam	10%
Quizzes	20%

---

Your final numerical grade will be the weighted average of your scores in the above categories, and your corresponding letter grade will be assigned as follows:

Percent	Grade	Percent	Grade	Percent	Grade
97.5% to 100%	A+	93% to 97.49%	A	90% to 92.9%	A-
87.5% to 89.9%	B+	83% to 87.49%	B	80% to 82.9%	B-
77.5% to 79.9%	C+	73% to 77.49%	C	70% to 72.9%	C-
67.5% to 69.9%	D+	63% to 67.49%	D	60% to 62.9%	D-
0% to 59.9%	F				

### **Online Classroom Protocol**

Please act respectfully in all online forums; zoom meetings, Canvas messaging, etc... Despite this not being an in-person class format I would encourage students to meet with me over zoom in order to prepare well for assessments and insure solid understanding of our economic concepts.

### **University Policies**

## **General Expectations, Rights and Responsibilities of the Student**

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution. Students are encouraged to familiarize themselves with SJSU's policies and practices pertaining to the procedures to follow if and when questions or concerns about a class arises. In general, it is recommended that students begin by seeking clarification or discussing concerns with their instructor. If such conversation is not possible, or if it does not serve to address the issue, it is recommended that the student contact the Department Chair as a next step.
