You May Be Eligible!

Did You Know?

SJSU disbursed over \$196M in Aid for the '22-23 academic year.

Financial Aid Overview

Financial Aid is assistance offered to you and your family to help meet the gap between what you can contribute to your education and what it costs to attend college. Financial aid can be in the form of federal grants, state grants, work study, scholarships and loans.

Financial Aid Formula

For financial purposes, need is determined by the following formula:

$$\text{Cost of Attendance} - \text{Student Aid Index} - \text{Other Financial Assistance} = \text{Need}$$

Cost of Attendance

The total cost of attendance will vary if you choose to live at home with your parents, on campus, or off campus. Below is the estimated cost of attendance for students living on campus for the academic year Fall 2024 – Spring 2025.

Description	Undergraduate	Graduate	Credential
*Tuition Fees	\$7,992	\$9,426	\$8,910
Food and Housing	\$19,866	\$19,866	\$19,866
Transportation	\$1,106	\$1,106	\$1,610
Personal	\$2,406	\$2,406	\$2,692
Books and Supplies	\$938	\$938	\$938
Total	\$32,308	\$33,742	\$34,016

*Nonresidents of California, which includes international students, are charged an additional \$396 per unit.

Fees subject to change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Installment Payment Plans

There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate for each. Please note: Students are not able to sign-up for the payment plans until charges actually appear on their account, either tuition and fees, or housing charges. For payment plan options visit sjsu.edu/bursar/payment-refunds/installment-payment-plan.php

Student Aid Index (SAI)

This is the measure used to determine a student and family's ability to pay for college and the amount of financial aid they can receive.

The Pell Grant also has a maximum lifetime eligibility of the equivalent of 12 full-time semesters. This includes all semesters of attendance. Ensure that you are only taking classes leading to the completion of your degree.	✓		✓
Federal Supplemental Educational Opportunity Grant (SEOG)	The SEOG is awarded to undergraduate, Pell Grant recipient students who demonstrate exceptional financial need and file their FAFSA by April 2.	✓

Cal Grant ★●	Cal Grants A and B are awarded at SJSU to California residents. Cal Grants are awarded for up to four years. Eligibility is determined by the California Student Aid Commission. Students must apply by April 2.	✓		✓

Students must be admitted to SJSU as an EOP student via the Cal State Apply application process. LOANS

Source	Description	Undergrad	Graduate	Credential

Federal Direct Unsubsidized Stafford Loan	These loans are similar to the Subsidized Federal Stafford Loans and are available to all eligible students, even those not demonstrating financial need. Unsubsidized Stafford Loans should be seen as a supplement, since the borrower is responsible for paying all the interest on the loan. The interest will begin accruing right away.	✓	✓	✓
Federal Direct PLUS Loan	These loans are made to graduate or professional students and parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid.	✓	✓	
California DREAM Program Loan ★	Available to undocumented undergraduate, graduate, and credential students who have completed the CA DREAM Act application. Loans come with a standard ten year repayment period and do not accrue interest while a student is enrolled at least half time. Apply early as there are limited funds.	✓	✓	✓
Alternative Loans (Private Loans)	Alternative loans are educational loans offered by private lenders, such as banks and credit unions. Before applying for alternative loans, students should consider lowest-cost options first, i.e., grants and scholarships (which do not have to be repaid) and federal direct loans (which have low, fixed interest rates)	✓	✓	✓

Financial Literacy

Your education costs you time and money, so every decision will impact you in a real way. If you want to graduate in two or four years and save thousands of dollars, create an academic plan and enroll in at least 15 units each semester.

By seeing an academic advisor, and using the online academic tools available (such as the SJSU Catalog, MyRoadmap, and MyProgress degree audit), you will save a substantial amount of time and money by only taking the classes that you need to graduate. This will also help cut costs on tuition, books, housing, and other college-related expenses and prevent you from having full-time employment.

Take advantage of our resources at sjsu.edu/faso/forms-resources/financial-literacy/index.php to plan the financial aspect of your pathway to graduation including:

- How to calculate the cost of taking an additional semester or year, or more, to graduate
- How to create and maintain a budget
- How to plan for unexpected expenses – car repairs, medical bills, rent increases, etc.
- What are your loan repayment options: payment plans, loan forgiveness, deferment, forbearance, etc.

Checklist (Complete Your File)

Check your “To Do List” items

Check your MySJSU account for outstanding “To Do List” items related to the financial aid process. We will request all financial aid documents through your MySJSU account. Instructions on submitting any documents will be sent in February. Sign into one.sjsu.edu to check your “To Do List”.

Check if you must verify your information

Approximately 20% of financial aid applicants are selected for a process that requires the Financial Aid and Scholarship Office to verify information submitted on the FAFSA or CA Dream Application. The verification process must be completed before aid is awarded. It is your responsibility to check your MySJSU account regularly and determine if you have been selected for verification.

Submit all requested documents

Your financial aid award is based on the completion of your file in a timely manner. All requested documents must be submitted to the Financial Aid and Scholarship Office by 4:30 p.m. of the priority document completion date stated under deadlines. Submit all requested documents to be considered for maximum funding.

Keep copies of all documents submitted

Fee Deferrals

After you have submitted all requested documents, a fee deferral will be assigned to your MySJSU account. The fee deferral will hold your classes and delay the payment of registration fees while your documents are being processed. Fee deferrals are temporary and will be removed at the beginning of each semester. All outstanding charges will be due by the next payment due date.

To be eligible for a registration fee deferral, you must submit all requested documents prior to the scheduled fee payment deadline posted on your MySJSU account. Students who do not receive a fee deferral will be responsible for paying any outstanding fees prior to the fee payment deadline posted on your MySJSU account.

Please note: The Financial Aid and Scholarship fee deferral does not defer housing payments.

(For more information, contact University Housing Services at 408-795-5600 or uhs-frontdesk@sjsu.edu)

Additional Information

Continuing Students

Your financial aid award does not automatically renew from one year to the next. You must re-submit the financial aid application (FAFSA or CA Dream Act Application) by the priority filing date of April 2 every calendar year to be eligible for aid the following fall semester.

Enrollment Changes

Financial aid is based on full-time enrollment unless you have notified our office of changes to your enrollment status. To do so, complete the Student Information Update form on our website (sjsu.edu/faso). The form can be found by clicking the “Forms” menu item and “Student Information Update” link. If you receive aid as a full-time student and then drop units, you may be required to repay a portion of the funds.

Satisfactory Academic Progress Policy

Continuing students can have an academic progress hold for the following reasons after semester grades are posted: failure to complete required units, excessive units completed or academic disqualification. A written Academic Progress Petition must be submitted to the Financial Aid and Scholarship Office for committee review. Funds will be released if approved.

Winter 2025 Session

Financial aid is not available for the winter session. Students who wish to attend the winter session will need to pay their own fees.

Summer 2025 Session

Financial aid for summer is very limited. Students must have been in attendance and awarded financial aid for the Fall 2023 – Spring 2024 academic year. Summer is based on remaining eligibility from the academic year. To be considered for summer, you must register in at least six units at SJSU. Visit our website in March 2024 for more details regarding summer.
