### **Amateur Radio Club**

#### **Case Creation Date:**

- June 26, 2025

#### **Incident Summary:**

- *It was reported that during the week of June 9th, 2025 there were issues within the Amateur Radio Club's assigned room. The club had installed an unauthorized door lock and peephole on a door without a window. The room contained a cot, cluttered items, and unsecured shelving. When the faculty member brought this issue forward, it was reported that you responded with resistance.*

#### **Student Organization Code of Conduct Violations:**

- (3) Damage to Property
  - Willful or careless destruction, defacement of, or tampering with University property, or the property of others.
- (7) Endangerment
  - Reckless or intentional acts which endanger the welfare of group members or others as well as compromising the security measures of the campus.
- (8) Failure to Comply
  - (C) Failure to follow all policies and procedures established by the University pertaining to student organizations, including fraternities and sororities, as outlined in the Student Organizations Handbook.

#### **Sanctions:**

- **Restitution in the amount of TBD to Engineering Department or FD&O to be paid by September 30, 2025.** Submit proof of payment documentation to Student Conduct and Ethical Development at [studentconduct@sjsu.edu](mailto:studentconduct@sjsu.edu).

- **The organization must return the room to the specifications set forth by the Electrical Engineering Department.** This includes but is not limited to: Removing all personal belongings (not associated with club functions) and any sleeping supplies. Fixing the peephole on the door. This may need to be the purchase of a new door through FD&O. Securing the shelving properly.
