Case Creation Date:

- October 28, 2024

Incident Summary:

- *Concerns were reported regarding alleged misconduct within the organization, including unauthorized constitutional amendments, improper election practices dating back to 2022, leadership misrepresentation, possible retaliation, and related interpersonal conflicts involving several current and former officers. Additional allegations include false or encouraged false reporting, misuse of authority within the organization, and operational issues that prompted an interim suspension and administrative review of governance records, election processes, and officer conduct.*

Student Involvement worked with Student Organization to resolve.
