

Faculty Matching Form

Name:

SJSU ID:

Concentration:

Dietetics

Applied Nutrition and Food Science

Food Management

Packaging

Typically, all students in the SAGE program must select primary and secondary advisors/mentors prior to enroll in NuFS 298 in the SAGE program. The matching process is informal and led by the student. Please fill out this form based on your and faculty research interest. The maximum number of faculty that can be selected is three. This form serves only to express your preferences for mentor/mentee relationship; there is no need to seek a commitment at this stage.
