

IMPORTANT PARKING NOTICE

Beware: Limited Parking and Heavy Traffic

During the first few weeks of instruction, traffic is unusually heavy and finding parking is difficult! Please plan accordingly and consider using the **South Campus Garage (1278 South 10th St.)** or your **VTA EcoPass** for public transportation.

- Throughout the semester, the parking garages usually fill to capacity prior to 9:00 am and remain full past 2 pm. After 8:30 a.m., it is recommended that you go to South Campus Garage. For real time parking capacity in garages, please check garage statuses at <http://sjsuparkingstatus.sjsu.edu/>.

Virtual parking permits for new permit purchases

Parking Services at San Jose State University utilizes [virtual permits](#) for all parking. Virtual permits allow you to park in your designated area without being required to display a physical permit. Your vehicle license plate is your parking permit. **Make sure you take picture of your license plate to have it ready when you purchase your virtual parking permit.** Visit [virtual permit FAQ](#) for additional information.

There Is No Grace Period for Parking

A valid virtual or physical parking permit is required **at all times**, this includes the first day of classes. Parking rules are enforced 24 hours a day, 7 days a week. Possession of a permit does not guarantee a space in the main campus garages. **There is NO free parking on Campus.**

Avoid traffic and parking frustration...

Use SOUTH CAMPUS GARAGE!
