

## Assigned Time for Mentoring Research Students

The College of Science provides regular (tenured or tenure-track) faculty with assigned time for mentoring research students as follows: 0.33 weighted teaching unit (WTU) for each undergraduate research student enrolled in 180 courses and 0.5 WTU for each graduate research student enrolled in 298 courses (or similar graduate research courses appropriate to the department), with a maximum of 3 WTUs assignable via this mechanism each semester.
